MESSAGES

Hi everyone and welcome to the AJS Torque newsletter for June 2007.

Hope your all enjoying racing especially now the rain is here – always makes for plenty of action.

Please find attached the results for Events Cup 2 & 3. Sorry for the delay in getting these out to you but I would ask you all to be patient as there are several steps involved before we can get them out to you and this takes time to do but please remember we are all doing our bit to get it out to you as fast as possible.

Again, you guy's are the ones out at the track every week, so surely someone's got something to send in so the newsletter's got a bit of spunk. Photo's, stories – I don't know a favourite recipe - just jokes but please feel free ! Anyway, I'm sure you get the idea so if you've got some input, please email me on melben@westnet.com.au

And finally a reminder to all members to support our Club Sponsors – you'll find them listed at the end of this newsletter. They help us year in year out so let's try to support their business as much as possible.

Thanks,

Mel Bryant

Presidents Report

Hello everybody , I am back for a couple of weeks after jaunting around for a while but I will be leaving again approximately on the 31st of July to do the Lakes round 9 and then Coolum round 10 then I will be heading home to stay put for a while (other trips might pop up) .

If you have been on another planet, we are to host another national round in 2008 and with a bit of luck we should have 5 consecutive rounds, after talks with Kevin Williams (outdoor national promoter) I am pretty confident this will transpire. So I would like to thank the Humberston Family in allowing to drive for them and also keep on Kevin's case.

Now a big rumour going around is that Chad Reed may do the first 5 rounds next year, with us being round 4 I don't need to tell you - it would be huge so keep your fingers crossed.

If any one is thinking of doing the Golden Wheel Classic this year (\$45,000 prize money on offer) I have spoken to Jay and Ryan Marmott, Tom Jones , Troy Carroll , Kyle Tobin , Cody Mackie and all are keen to do it if the prize money is correct (der!) so this would be good to watch.

Now 4 riders have come to me about cutting the track and apologized (I appreciate their honesty) for their action, now I know there must be more , so settle down as this does cost the club money to repair your damage. Its money we could spend on other things, so think before you do it.

Now on a parting note MWA have asked me to inform our riders that you are not signing on when you practice. This is becoming a problem area so we have given MWA a key and they will start doing random checks so Please be warned . Happy riding and I will see you around the place.

Ken
