# *Editors/ Presidents Report*

The silly season is upon us, and I would like to take this opportunity to wish all our members a Merry Christmas and a Happy New Year. Please have a safe Chrissy and New Year and enjoy the time with your family.

The new clubrooms are coming along now, at time of print the foundations have been dug, and the shed is ready to be erected. I would like to thank those who have helped thus far:

Geoff Brooks	Bevan Leach	Scott Petricevich	Kevin Fourth
Leon Bettson	Troy Luksa	Corey Luksa	Brayden Luksa

Any members who can contribute something to aid in the completion of the Clubrooms are more than welcome to contact me.

The locks will be changed on the gate as at the 2<sup>nd</sup> January, to get a new key you must re-join the club and produce a current L1 licence.

I was at the track a few weeks ago and noticed that some of the guys had not signed on for practice, please be aware that we can be fined by MWA and have our practice permit revoked if we are found not conforming to the rules, MWA do spot checks from time to time and it only takes one not to be signed on.

Please make this the first thing you do before riding the track as stated in the club rules. There has also been some confusion as to the L1 rule; I will clarify how it is supposed to work.

To ride the track for practice you must have a L1 there at all times to watch you, a L1 can watch up to 5 people under their licence. If you are the L1 and are riding you must make sure there is another L1 not riding at the time to watch you, you cannot be the L1 and the rider at the same time.

If you have any questions please contact me and I will talk you through it.

See you all next season
