We will have 5 Registration/Busy Bee days in January, please phone Tracey on 0409 134 133 if you are unable to get to the registration days we will organize another time for you to sign up.

Registration Days:

- | | |
|-------------------------------------|-----------------|
| ➤ Tuesday January 4 th | 2.00pm – 5.00pm |
| ➤ Tuesday January 11 th | 2.00pm – 5.00pm |
| ➤ Saturday January 15 th | 8.30am – 2.00pm |
| ➤ Tuesday January 18 th | 2.00pm – 5.00pm |
| ➤ Sunday January 23 rd | 8.30am – 2.00pm |

Please stay for a while and help prepare the track for our coming season there is plenty of work to do at the track and many hands make light work.

Congratulations to Tanya Cairns & Ken Brierley on receiving your Certificate of Commendation from MWA, this award is given to those who have contributed to the sport over many years, these awards were well deserved.

Please note: The Quick Start series will be run early this year
practice will start at 8.30am and the sign in shed will close at
7.30am **NO** late entries will be accepted!

Editors/ Presidents Report

The 2010 season is at its end and I hope you all enjoyed the year. Our fun day was a huge success, it was great to see some old faces return to the club for the day and when I say old I mean old (Ha Ha). I must say I enjoyed watching the le mans starts and to see all the guys having fun. The reverse track seems to be the winner and a lot of guys commented on how much fun that was, our plan for next season is to have the track licensed for that direction and maybe run a couple of our events that way. Thanks to all those who stayed for our AGM and to those who put their hands up for jobs.

Next season you will all see a lot of changes to the club, the new club rooms are under way and we are hoping to have it moving forward during the off season. We have been around to quite a few members who have offered to help with the new clubrooms, if you have something to offer and would like to be part of the clubs history, then please contact me on 0409 134 133 and I will add you to the growing list.

We are looking at starting a bar up for club runs next season, and hope we can encourage our members to stay for awhile after racing to socialize and have a laugh.

The proposal for the Junior/Senior interclub with Wanneroo Junior Motocross Club was passed in at the AGM, this will allow the seniors to have a ride at the junior track and juniors come to the senior's track, with all proceeds going to the prospective club. I will let you know more when we have finalized the details.

Our membership fees will be going up for next season, but we will be organizing more track grades throughout the year, at this stage we are looking at 18 track grades, with special permitted practice days being organized on the newly prepped track.

Next season MWA has proposed that all club runs must run under supplementary regulations, as this is something that the club must conform to we are also proposing to do online entries for all club runs, thus making it easier in the morning. The online entries are in their infancy and we ask for your patience during this transition. I will have more news as we get the information.

As you can see the Ajay Torque is back up and running, if you have anything you would like posted in the newsletter please email me at luksa@bigpond.com , it may be you have a bike to sell or you just want to say something, but be aware as the editor of the newsletter I will not accept anything negative.

The Ajay Torque will be emailed out to all members monthly; and also available on our club website www.ajsmcc.com.au , please make sure when you join for next season you clearly print your email address on your membership form.

Ken will still be available to the club on Tuesdays & Thursdays if you wish to come for practice, it was voted in at the AGM that permitted practice will be user pays, the fee for practice will be \$10.00 payable to Ken on the designated days. If you supply your own level 1 official to watch you, you will not be charged the \$10.00, but be aware your level 1 may not be riding on the track at the same time and this will now be policed. We will have more information on this at the registration days.

Merry Christmas to you all and a Happy New Year

See you all next season
